US Okays Our Health Center

The U. S. Public Health Department has granted preliminary approval of the application to build a Health Center in Benton.

This information was wired to Dr. Sam Henson, county health officer, and to Benton newspapers by U. S. Senator Earle C. Clements.

Full cost of the Health Center will be \$43,106.56, and the federal government's share of the cost will be \$21,553.28, Clements' telegram stated.

Final approval of the Health Center is expected shortly in Washington. As soon as OK arrives from Washington, the State Health Department and county authorities will proceed with work on the Center.

The Health Center is expected to be completed and occupied sometime during this year. The Marshall County Health Department now is located in the court house at Benton.

Bookmobile Arrives Here For Service

Marshall County's new Bookmobile was delivered to Benton this week and as soon as the Library Board Committee makes the necessary arrangements the Bookmobile will be put in service.

A driver is needed for the Bookmobile, however, says County Superintendent Holland Rose. A person with some training in library science is being sought for the job. Anyone wishing the job should apply to the county superintendent's office.

The Bookmobile will serve all the schools and communities in Marshall County.

Other school news: County teachers will meet here on Saturday, Jan. 8, to work on a project of mental health under the supervision of Mildred Kincaid of the State Department of Health.

All county school lunch rooms will participate in the special milk program for lunch rooms. Students can now buy an additional half pint of milk for 3 cents.

A new classroom has been completed at the Briensburg school and was ready for pupils when they returned Jan. 3 from their Christmas vacation.

COUNTY COON CLUB WILL MEET HERE MONDAY NIGHT
The Marshall County Coon Club will meet next Monday night, Jan. 10, at the courthouse in Benton. The meeting will start at 7 p.m.

Scheduled for discussion is the ordering of coons for the new year. Members also will plan a trip to catch live coons in the camp area.

POLIO FUND DRIVE STARTS—The hope of millions rests in the vial of Salk polio vaccine held by Governor Wetherby as Kentucky March of Dimes Chairman Frank Kraus of Bardonia looks on. Governor Wetherby this week proclaimed January March of Dimes Month as the 1955 campaign for \$64,000,000 got under way.

Polio Fund Campaign On Throughout State

Kentucky opened its annual March of Dimes campaign on Monday, Jan. 3, in conjunction with the national effort to raise \$64,000,000 to fight polio in 1955.

In what was the most significant year in the history of the National Foundation for Infantile Paralysis' search for a preventive against paralytic polio, Kentucky experienced its second highest polio case rate in history, second only to 1952 when 1762 cases were reported.

Kentucky had a large part in the 1954 vaccine field trials last spring when 7500 children in

Ralph Vaughn Is Master of Benton Lodge

Ralph Vaughn is the new worshipful master of T. L. Jefferson Lodge No. 622 at Benton. He was elected on Dec. 27 to succeed Ken Nichols.

Home Accident Survey Results are Announced

Marshall County Health Director Sam Henson this week released results of the home accident survey made throughout the county Oct. 24-30. The figures indicate that most home accidents occur in the yard and most result from falls.

One hundred and seventy-seven volunteer workers, representing 31 different organizations, questioned 50 percent of the families in the county during the survey. There are approximately 4,900 families in Marshall County. Among the 2,477 families visited, 942 home accidents were reported to the volunteers, plus 66 farm accidents.

Of this total, 376, about one-third, resulted from falls, 165 were cuts and 160 were burns. Children from one to four years had 142 of the accidents, more than any other age group. Females had almost twice as many accidents around the home as did males.

Of the accidents reported, 443 were in the yard, of which 193 were falls. The kitchen came next with 166 accidents. There were more accidents reported for October than any month. Survey officials pointed out this

may have resulted from better memory of the more recent accidents.

One of the reported accidents was fatal, one resulted in loss of an eye, one resulted in amputation, and 51 involved fractured bones. Six of the injuries were permanent and 634 lasted more than one week. Thirty-six of those injured were hospitalized, and 334 had medical attention.

Carelessness was given as the most frequent cause. Other frequent causes were cluttered premises, physical impairment, hurry, and unattended child. Two hundred and forty-nine happened during ordinary play; 154 during household chores; 134 while walking or working in the yard; and 109 while preparing food.

Dr. Henson explained that the survey, conducted in cooperation with the Home Accident Control Section of the Kentucky State Department of Health, will be used as a basis for a state-wide program in prevention of home accidents. Marshall County is one of three in the state being used to test the effectiveness of an educational prevention program.

Joe Dunn Put On Electric Plant Board

City Council, in session Monday night at City Hall, opened bids on the proposal to sell a franchise for the installation of a natural gas system in Benton.

Two bids were received and opened. They were as follows: West Kentucky Gas Company bid \$250 plus all costs of advertising and selling.

J. H. Moseley Jr. of Owensboro bid \$500 plus 2 percent of gross receipts from the sale of gas under said franchise. He also promised to pay \$100 for advertising costs.

Councilmen delayed action on the bids until it can conduct further investigation.

The city officials are especially interested in the bid of 2 percent of the gross revenue. Mr. Moseley is vice president of the Modern Welding Company, which installed the water system extensions in Benton last year. However, Mr. Moseley bid on the gas franchise as an individual, and his company is not involved in the gas proposal.

Attorney John Clay Lovett of Benton presented the West Kentucky Gas Company's bid to the council.

NEW FIRE CHIEF
The City Council also employed Joe Tom Haltom as the chief for the City of Benton. Mr. Haltom, who succeeds Dale E. Neave, began his duties on Tuesday.

Mr. Haltom, in addition to his duties as fire chief, also will serve as part-time policeman, and will assist, when needed, as a water-electric meter reader.

Mr. Haltom operates a skating rink at City Park.

ELECTRIC PLANT BOARD
City Council also elected Councilman Joe Dunn to serve as a member of the Electric Plant Board. Mr. Dunn will succeed Bob Rider, also a councilman, whose term on the electric board had expired.

Mr. Dunn operates a shoe shop in Benton and Mr. Rider is employed by the Treas Lumber Co.

Presbyterians Plan to Organize Church Here

A meeting will be held in Benton on Tuesday night, Jan. 13, for the purpose of organizing a Presbyterian Church here.

The meeting, which will start at 7:30 p.m., will be held at the home of Mrs. E. E. Curtis, 911 Pine Street.

Rev. Charles Bunce, pastor of the Westminster Presbyterian Church, Paducah, and Rev. O. H. Austin, pastor of the College Presbyterian Church, Murray, will assist in organizing the church in Benton.

Organization of the church here will follow the pattern of the organization of the new Presbyterian Church at Calvert City. The church will be started with fellowship meetings, and will develop from that point into a full-fledged church.

All persons interested in the Presbyterian Church are urged to attend the meeting at Mrs. Curtis' residence on Jan. 13.

Rock Thought to be Meteorite is Found

J. H. Brown of Benton Route 4 found what is believed to be a meteorite in his yard last Wednesday, Dec. 29.

The rock, which is shaped like a large turnip, weighed four and one half pounds. In its fall, it made a hole 18 inches deep in the ground.

Mr. Brown discovered the hole near the northeast corner of his house when he went to inspect the drain gutters.

He was certain the hole was not caused by water falling from the gutter, and on investigation he found the rock.

He said the rock must have fallen recently, because there was no hole in the ground six weeks ago.

Mr. Brown was showing the rock in Benton Wednesday and may have it sent to the University of Kentucky for classification.

Buick Introduces New Four-Door "Hardtop"

Buick General Manager Ivan L. Wiles poses proudly beside the automobile industry's latest style sensation, a four-door "hardtop" sedan. Like the two-door Riviera "hardtop" coupe Buick pioneered six years ago, the four-door model eliminates the center posts between the doors, combining the trim, racy lines of a four-door convertible with the comfort and roominess of a sedan. Buick will offer the new Riviera sedan in both the Century and Special Series. Production will begin early next year.

STRENGTH FOR THESE DAYS

Set a watch, O Lord, before my mouth; keep the door of my lips.—(Psalm 141, 3.)

An unkind word, once it has gone from our lips, cannot be called back and its hurt is done. Being but human, all of us are prone to such occasional uncharitableness. But when God is within us, guiding our every thought and act, we cannot utter other than words of love and kindness.

Farm Fire Safety Will be 4-H Topic During This Month

All 4-H Clubs in Marshall County are having for their main feature this month a movie entitled, "Farm Fire Safety." The January meetings are held at the following places on the following dates:

Monday, Jan. 10—Sharpe and Hardin.
Tuesday, Jan. 11—Unity and Harmony.
Wednesday, Jan. 12—Brewers.
Thursday, Jan. 13—Aurora and Fairdealing.

Friday, Jan. 14—Calvert City.
Monday, Jan. 17—Gilbertsville and Briensburg.

Following the movie discussions on 4-H Club projects will be held by Paul Mills, assistant county agent, and Birmah Gammel, assistant home demonstration agent.

John Ingram of Calvert City was admitted to the Riverside Hospital in Paducah last week.

Girl Injured As She Loses Control of Car

Miss Margaret Smith, 16, suffered a slight concussion and lost two front teeth Wednesday of the past week when she lost control of her car and it hit two new Pontiacs parked in front of the Roberts Motor Company.

Miss Smith had turned the corner at the Corner Drug Store and in some way lost control of the car. It struck one Pontiac, which in turn struck another parked car. The accident happened about 5:30 p.m.

Miss Smith was carried to the McClain Clinic by passersby and remained there until the next day when she went to the home of her parents, Mr. and Mrs. Hubert Smith on Benton Route 2.

Scottish Orphan Girl to Remain With Roy and Dale

Marian Fleming, 13-year-old Scottish girl, who, for the past five months, has been living with Roy Rogers and Dale Evans, stars of NBC-TV, "The Roy Rogers Show", Sunday, 6:30 P.M., is happy as a lark and singing like one, too.

Marian was living in an orphanage in Edinburgh last summer, when she was chosen to give the King of the Cowboys and Queen of the West a tour of the city.

Roy and Dale were delighted with the little girl, and she felt in love with the famous Western stars.

The result was that she was invited to spend the summer at the Rogers Ranch in El Reno, where she soon became a part of the family of five Rogers children.

Dale wrote to Edinburgh's Chief Constable (William Merrilees asking if Marian could extend her "holiday" and remain with the Rogers family to finish school.

Constable Merrilees learned that Marian's father is agreeable and, though British law prevents a child being adopted abroad except by British parents, there was no reason why the holiday should be extended.

So Marian will now live with Roy, Dale, and the Rogers children at least until she finishes high school.

MAYBE you didn't know that the price of this 1955 Buick SPECIAL 2-door, 6-passenger Sedan has moved still closer to those of the so-called "low-price three."

And maybe you didn't know that now you can boss this broad and brawny new beauty for even fewer dollars than some models of those very same "three."

So we proudly show our price here to prove it.

But no dollar figures can ever tell you how much more sheer *automobile* you get for your money in this '55 Buick. You have to discover that firsthand.

You have to look into the record-high V8 power that puts the whip to this dazzler—

and see by sampling what that means in the lift and life and joy you feel in driving.

You have to judge for yourself how much more luxury and comfort and stability so little more money buys here—more room, more visibility, more frame strength, more tread width, more ride steadiness.

And you have to learn by *doing* what a rich fine feeling it is to travel in the boldest new styling of the times—in beauty that's long and low and sports-car smart—and as definitely distinctive as the name on the hood.

Come in for a demonstration of Buick for '55. We promise you the thrill—and the buy—of the year.

Combs May Enter Race For Governor

Appellate Judge Bert T. Combs said recently he was "seriously considering" running for the Democratic gubernatorial nomination in Kentucky.

The Prestonburg, Ky., official made his statement while visiting friends in Florida but says he has no immediate plans for a definite announcement. Combs will return to Kentucky about Jan. 5.

Currently, he is believed to be the choice of Governor Lawrence Wetherby's administration to oppose A. B. Chandler, Vercalles Democrat, in the August primary. Chandler announced his candidacy some time ago but Wetherby is outspokenly against him.

If Combs decides to make the race, political observers feel he will need a strong running mate and have mentioned Harry Lee Waterfield as the likely choice.

Waterfield, 43-year-old publisher of the Hickman County Gazette, said yesterday he will seek the Democratic nomination for lieutenant governor. But he declined to say whether he would align himself with the forces of Governor Wetherby or those of Chandler.

Waterfield added he has talked with Chandler people about the race, but not administration spokesmen.

Mr. and Mrs. H. B. Holland were in Madisonville during the holidays to see the Rodgers.

She's Done It Again!

Spring Byington, who plays the mother-in-law lead in CBS-TV's new comedy series "December Bride", (9:30-10:00 P.M. EST, Mondays) has created another family crisis by her exuberant antics in the lives of her TV son-in-law, Dean Miller and daughter Frances Rafferty. That's nothing new though because Spring keeps the household in a state of laughable confusion every week.

Odd part about the actress is that Dean Miller, while a pre-med student at Ohio State University, was vitally interested in the theatre, and naturally the pretty girls associated with that field. Consequently, the walls of his room were decorated with the magazine photographs of his favorite actresses—one of whom was a pretty young EGM starlet by the name of Frances Rafferty.

Now, not too many days later, Dean finds himself playing opposite that same lovely young lady in "December Bride". And playing the role of her husband no less in real life. Frances is the mother of a four-year-old son and a two-year-old daughter, while Dean remains the very eligible young bachelor.

Scottish Orphan Girl to Remain With Roy and Dale

Marian Fleming, 13-year-old Scottish girl, who, for the past five months, has been living with Roy Rogers and Dale Evans, stars of NBC-TV's "The Roy Rogers Show", Sunday, 6:30 P.M., is happy as a pig in a trough.

Marian was living in an orphanage in Edinburgh last summer, when she was chosen to give the King of the Cowboys and Queen of the West a tour of the city.

Roy and Dale were delighted with the little girl, and she fell in love with the famous TV stars.

The result was that she was invited to spend the summer at the Rogers Ranch in Encino, where she soon became a part of the family of five Rogers children.

Dale wrote to Edinburgh's Chief Constable-William Merriels asking if Marian could extend her "holiday" and remain with the Rogers family to finish school.

Constable Merriels learned that Marian's father is agreeable and, though British law prevents a child being adopted abroad except by British parents, there was no reason why the holiday could be extended.

So Marian who now lives with Roy, Dale, and the Rogers children at least until she finishes high school.

Luminous License Plates for Buses, Taxicabs Possible

Frankfort—License plates that glow in the dark may make their appearance on public conveyances in Kentucky in 1956.

Plans for issuing reflectorized license plates for all buses, taxicabs, and for-hire trucks were announced by Motor Transportation Commissioner John M. Kinnaird.

The luminous plates are expected to help curb night-time traffic accidents, Kinnaird said. He said his department is working with the State Police and the Governor's Highway Safety measure.

Manufacture of the plates will start early next year, Kinnaird said. Only the raised numbers and letters will be reflectorized.

"Reflectorized plates are usually visible at greater distances than tailights," the commissioner said. "Also a vehicle's tailight may not be functioning properly and the driver not have knowledge of it," he said.

Mr. and Mrs. Buster Roland and Mr. and Mrs. General Harrison returned Monday to their home in Detroit. They attended services for the wives' brother, Marvin Wyatt, here Sunday afternoon.

CLARK HOMEMAKERS MEET WITH MRS. BUSTER LAMB

Clark Homemakers club held its monthly meeting Thursday morning Dec. 16.

After the business meeting, Mrs. Londa York read the devotional from Luke 2:1-21. Everyone enjoyed the talk Mrs. Green gave on "Safety at Christmas".

The landscape leaders, Mrs. C. T. Wyatt and Mrs. Jimmie Gibson gave the lesson on "Rose Culture".

Mrs. Jimmie Gibson told a Christmas story "Yule Log" which was enjoyed by the members.

Gifts were exchanged and games were played. Mrs. Jerome Allen, Mrs. Elvis Hollie, and Mrs. C. T. Wyatt won prizes.

Those attending were Meses: Robert Turner, Clint Colie, C. T. Wyatt, Joe Bryant, Buster Lamb, James Gibson, Alton Anderson, Truitt McDermott, Elvis Holley, Lona York, Johnnie Miller, James Henson, Tommy Wyatt, and Raymond Turner.

Mrs. Jerome Allen and Mrs. Brooks Harris became new members of the club.

Mr. and Mrs. C. V. DeMoss of Jackson, Tenn., Mrs. Dorothy Durdin and son, of Huntingdon, Tenn., were guests Sunday of Mr. and Mrs. Virgil F. Smith, in Benton.

THINGS TO TALK ABOUT

BY FRANKLIN J. MEINE
Editor, American Peoples Encyclopedia

Facts revealed in a state survey disclose that the chronic traffic-law violator was involved in five times as many accidents as the average automobile driver. Lesson: disrespect for law rather than ignorance of it.

Approximately 50 per cent of the people in the United States are members of some religious organization.

Texas Gas to Give Its Employees Pay Increase on Jan. 1

Owensboro—A five cents per hour wage increase, effective on Jan. 1, and an additional five-cent raise next July 1 have been announced for hourly paid employees of Texas Gas Transmission Corp.

John Kirtley, director of public and employee relations, said the pay raises will be received by more than 600 operating employees in such departments as pipeline, compressor, dispatching, communication, corrosion, transportation, warehouse and land lease.

The increases will be put into effect in all nine states in which the company operates. They include Kentucky, Tennessee, Ohio, Illinois, Arkansas, Mississippi, Louisiana and Texas.

Mr. and Mrs. Sam Creason Wyatt and children have returned to Rogersville, Tenn., after attending funeral services here Sunday for his father, Marvin Wyatt.

The Farm Front -

BY J. HOMER MILLER
County Farm Agent

Here we are at the beginning of a new year. A new year of promise and hope. New goals to be attained and new ideas to be

developed. May this be a happy and prosperous year for you.

It is with regret that we say goodbye to William (Bill) Brinkley, assistant county agent. He left for the armed services on Jan. 1. It was very pleasant to work with Bill the five months he was here. The best of luck in your new endeavor and may you soon return to the Extension Service.

It is also with pleasure we say hello to Paul Mills, who will replace Bill as assistant county agent. He reported for work the first of the week.

Farm records must be kept if farming is to be carried on as a business. Get your record book at this office now and start your records with the new year.

Order pine trees now for March delivery. There will be only one delivery this year and that will be March 3. Get your order in now. We have only 135,000 pines this year.

Farm and Home Development families will get their first meetings this week. Thursday and Saturday. Families may come either time. Thirty-one families were enrolled in the first series of meetings before Christmas.

Wavel Joseph has built a shed on his dairy barn. This was a part of his farm planning program to make more room for his expanding dairy enterprise.

Raymond Riley produced five of the best varieties to grow in this area. This is the third year such tests have been given in the county.

I started a program last Monday over radio station WCBL. The time is 12:35 to 12:40. Let me know how I can make the program more useful to you.

Mr. and Mrs. Glen Eley spent ten days during the holidays in Chattanooga, Tenn., with the family of their son, Bob Eley.

Mr. and Mrs. Marshall Hendrickson and children of Route 4 were shoppers in town Monday.

Mrs. Emma Reeder of Route 2 was a shopper in town Monday and while here renewed her subscription to the Marshall Courier.

Final Rites Held At Mt. Moriah for Mrs. Mintie Ward

Funeral services were held on Wednesday, Dec. 29, at Mt. Moriah Baptist Church for Mrs. Mintie Ward, 77, of Benton Route 6. The Rev. Arlie Larimer officiated.

Burial was held in the Fooks Cemetery, with nephews serving as pallbearers.

Mrs. Ward is survived by her husband, Charles Ward; three daughters, Mrs. Milburn Brindley of Route 6, Mrs. Paul Cope and Mrs. Bertie Girtlen, both of Detroit; and one son, Avois Ward of Route 6.

Symsonia Girl and Paducah Man are Engaged to Wed

Mrs. Verbal Downing of Paducah Route 8 announces the engagement of her daughter, Shirley, to Dwayne Bell, son of Mr. and Mrs. Tolen Bell of Symsonia.

Miss Downing is a graduate of Symsonia High School, class of '53.

Mr. Bell also attended school at Symsonia and is now employed by the Jones Packing Company, Paducah.

Plans for the wedding are incomplete.

CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation for the many acts of kindness shown us by our friends and neighbors who so patiently sat with us and waited on our dear husband and father, Marvin Wyatt.

Thanks to those who sent food; for the beautiful flowers; for the messages of sympathy during our bereavement in the illness and death of our husband, father, son and brother.

Especially do we want to thank Dr. McClain, who so untiringly administered to him; Rev. Burdette, the Masons; Carpenters Local; American Legion; V.F.W.; the First Methodist Church; the First Missionary Baptist Church; the Filbeck-Cann Funeral Home; Rev. Roy D. Williams and Rev. Edgar Sireff for the messages and comforting words.

May God's richest blessings be with you all.

ORDER PINE TREES NOW

Orders are being taken for pine seedlings to be delivered this spring at the county agent's office, according to J. Homer Miller. Orders of 500 or multiples of 500 are being received. Make your application as soon as possible to assure delivery this spring.

Two Men Injured In Auto Accident On Hardin Street

Two men were injured in a traffic accident at Hardin on Christmas Eve. The injured men were Paul Anderson of near Hardin and Charles Lovett of Dexter Route 1.

Mr. Anderson was driving a station wagon owned by Clinton Rivers of the Benton Appliance Co. He was traveling north on Hardin's Main Street.

Mr. and Mrs. Lovett were traveling on Highway 80. A young baby in the car with the Lovetts escaped injury.

Both vehicles were badly damaged.

The men were treated by Dr. G. C. McClain at Benton.

Mr. and Mrs. Earl McCushton were Sunday guests of her sister, Mr. and Mrs. Douglas Shoemaker in Murray.

HERE'S HOW ...

... MAKE A BASKETBALL BACKBOARD

A sturdy basketball backboard provides outdoor fun and develops skill in the school child.

The posts are 4 by 4-inch lumber, each 16 feet long, set 4 feet deep in holes 29 inches apart at centers and from 8 to 12 inches in diameter. The lower 5 feet of the posts should receive a dip treatment or repeated brush applications of a wood preservative before being set. Overhead bracing is of 2 by 4's. Fasten the back braces to the posts first. Plumb the posts with a carpenter's level, and secure them in place with tamped gravel, rock, or concrete.

The backboard may be of 46" 1-inch or 2-inch lumber, four 11 1/4-inch boards held together with 2 by 4 cleats. Use 3/4-inch, round-headed, carriage bolts, 3 inches long for 1-inch boards, and 4 inches long for 2-inch boards. With a No. 16 auger bit bore holes 3/4-inch deep so the bolt heads will be beneath the surface. Bore holes

3/4-inch in diameter for the body of the bolts.

Add the basketball hoop so that the rim is 1 foot from the bottom of the backboard.

In fastening the backboard, be sure the bottom of the board is level with the bottom of the lower support—9 feet from the ground. Use bolts, 3/4-inch in diameter—6-inch bolts to fasten the 2 by 4's to the posts, and 4-inch bolts to fasten frame to backboard cleats.
